It is an honor and a privilege to be writing to you as the new Principal at Field Elementary School. This year has started with great expectations, lots of energy and a remodeled and improved infrastructure!

So far this year, we have had our Curriculum Night(with great attendance!!) and our first Student Assembly. During the Assembly, our students had the opportunity to review our core concepts of the three R's(Respect, Responsibility and Ready to learn), sang our song and reviewed our expected/unexpected behavior.

As we move forward , we will continue reviewing and internalizing the importance of these concepts with all of our students. This will allow us to maintain a culture and climate of respect, where all students are safe and come ready to learn!!

Mr. Luis Bonilla

IMPORTANT INFORMATION FROM THE PRINCIPAL'S DESK

MORNING DROP OFF: Please remember, children should not be dropped off in the office, there is no supervision before 8:35 am, this is not a safe situation for your child/children. Children should wait outside on the playground in the designated areas so please dress according to the weather.

EARLY DISMISSALS AND CHANGES TO PICK UP: If your child is going home a different way at the end of the day, please send a note to your child's teacher in the morning. Creating a regular dismissal routine for your child will allow them to focus on learning during the school day.

If you did not send a note, please call the school office by 2:30 pm at 847.520.2780. When we receive phone calls after 2:30pm, we will make every effort to inform your child of the change; however, due to many factors, we cannot guarantee that they will receive the message. If we do not have a note, or call stating differently, your child will be sent home as they usually go. For safety purposes, we are not able to change arrangements at the child's word.

DISMISSAL/PICK UP: Please be on time (3:30 dismissal) to pick up your child after school.

ATTENDANCE: If you know your child will be out of school, please call 847-520-2781 to report the absence. If you are calling after office hours, please leave a message with your child's name, teacher, date or dates of the absence and the reason your child will not be in attendance. This will save you time and the inconvenience of trying to reach us during the busy morning rush.

SUMMER CONSTRUCTION

Extensive work was done across the District this summer to prepare for the 2016-2017 school year. The contractors were diligent in working efficiently to complete the projects on time and under budget. Actual expenditures are projected to be about \$15,000 less than what was awarded by contract.
